

# P2P Payment Feature MOBILE

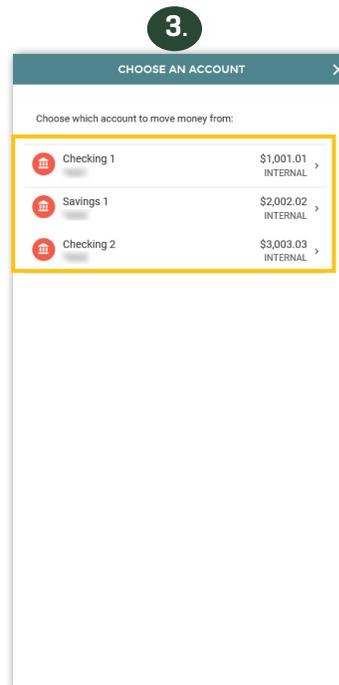

Now you can easily pay anyone with a debit card with P2P from First Southern National Bank! Includes (MFA) multi-factor authentication security. Find instructions [here](#). Request access [here](#).

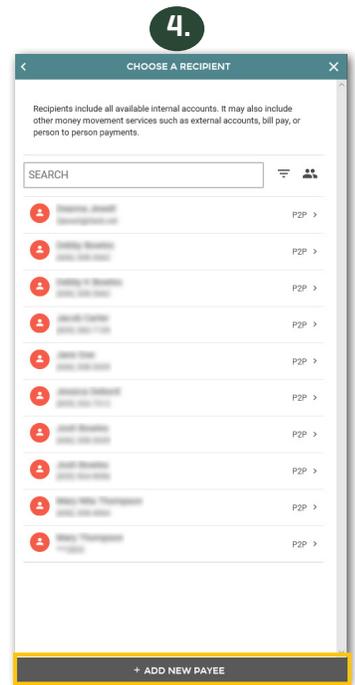

From the **Mobile App Menu**, click the **Move Money** link.

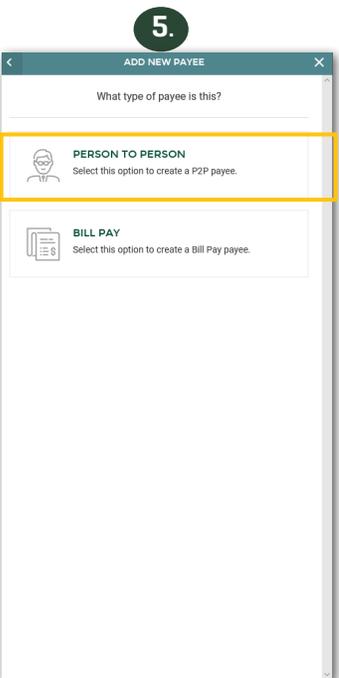

Click the **New Transaction** button.

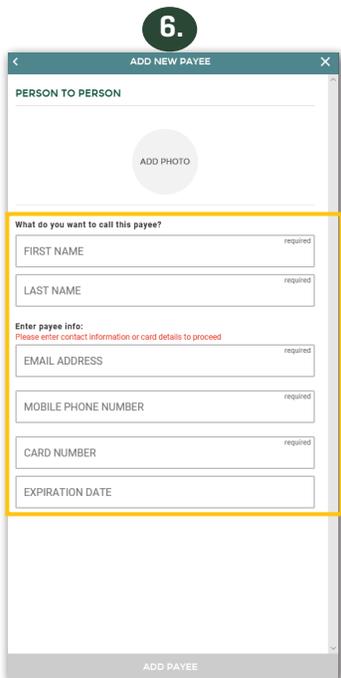

Choose the **account** source to fund transaction from.

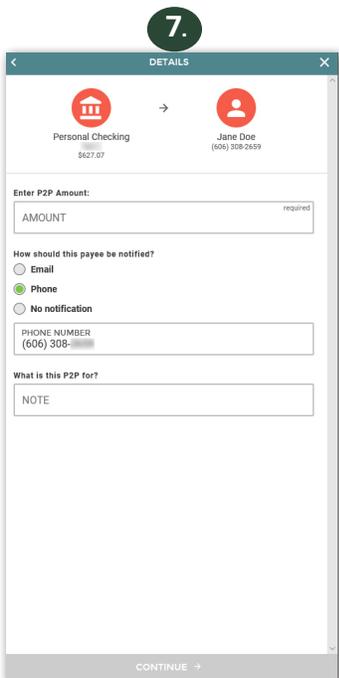

Choose a recipient. If this is a new recipient, click the **Add New Payee** link.

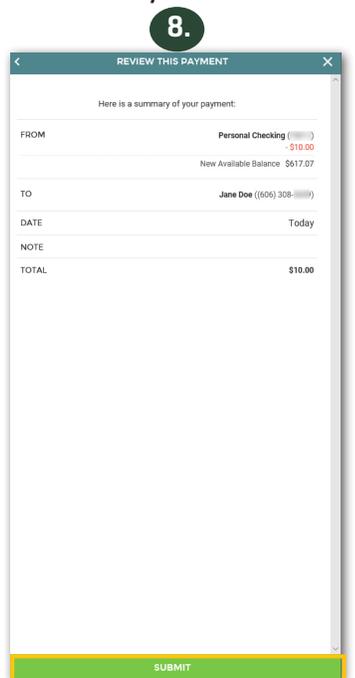

Click **Person to Person**.

Add details for payee. The payee will receive a secure link to send payment info, so card information is optional.

Enter the amount you want to send. Select **Email** or **Phone** for notification method and optional note.

Review your payment and click **Submit** to confirm. Your money is now on it's way.
